To whom it may concern,

I am very confident that I will fit into the environment already established. I am a hard worker, a team member, and a fast learner.

In my previous work as Event Staff at Tucker Theatre, I had to be prepared to be flexible. When working with a client I had to be prepared to communicate effectively between the incoming client and my superior. I had to be knowledgeable about the location of necessary items to retrieve and set-up those items. Effective communication and prompt execution were essential to create a productive environment.

As a Sales Associate at Old Navy I interacted with the customers in the same manner as with the clients. I had to provide stellar customer service while simultaneously organizing the store. I had to keep track of inventory as well as quickly and efficiently checking customers out.

The skills I have learned in my previous work and in my education as a Theatre Practitioner include organization, communication, and teamwork. All of these aspects make me believe that I would make a great addition to your team.

Thank you for your time,

Donovan Hughes
